

Emeriti Association Board Meeting
6 October 2023

FR: Dorothy Chun

The Development and Engagement Committee temporarily replaces the former “Membership Committee,” which is suspended as we experiment with a “no dues” model, where retirees automatically become members of the Emeriti Association (EA) and no dues are collected. The Committee will work to raise funds for the Promise Scholars Program, to engage members in service activities (e.g., mentoring Promise Scholars, offering 1-unit Discovery Seminars), and to encourage members to propose and participate in informal academic or social events (e.g., webinars, pub talks, nature walks, theater/concert events, wine tasting, etc.).
