

Nominations Committee Report for May 7, 2024 Board meeting

In February the committee contacted Board members whose terms were expiring, asking whether they would serve for another term. All Board members agreed to continue except Oliver Chadwick. We then sought nominations from the general membership. Cynthia Brown agreed to continue as Vice President, Pat Cohen agreed to serve as Secretary, and we invited three new members to join the Board. The slate being voted upon by the general membership is as follows:
